HOW IT WORKS?

1. **Explore Destinations:**
   - Users visit the homepage and select a country they are interested in.
   - They can view detailed descriptions of famous spots, cultural traditions, and travel tips.
2. **Sign-Up or Log-In:**
   - To book a trip, users need to sign up or log in.
   - First-time users register through the sign-up page, while returning users use their credentials to log in.
3. **Book a Trip:**
   - Once logged in, users can explore destinations and confirm bookings through the "Book a Trip" feature.
4. **Pop-Up Notifications:**
   - For actions like successful registration or booking, the website displays confirmation pop-ups.

Example Workflow

Indonesia:

- *User clicks on Indonesia from the homepage.*
- *They learn about famous spots like Bali and Komodo National Park and explore local traditions like shadow puppetry.*
- *The user logs in, selects "Book a Trip," and receives a confirmation pop-up.*

INDONESIA
Mount Bromo
The Bromo is an active somma volcano, a Hindu pilgrimage site, and part of the Tengger mountains, in East Java, Indonesia. At 2,329 meters it is not the highest peak of the massif, but is the most active and famous. The area is one of the most visited tourist destinations in East Java, and the volcano is included in the Bromo Tengger Semeru National Park. At the mouth of the crater, there is an idol of Ganesha, the Hindu god of wisdom which is being worshipped by the Javanese Hindus.Mount Bromo is located in the middle of a plain called "Sea of Sand",a nature reserve that has been protected since 1919.
